CARE COMMONS

SMALL DONATIONS CREATE BIG IMPACT FOR LOCAL FAMILIES

Mutual aid, made simple.

Care Commons is our community aid and outreach arm of Joyful Resistance. Our mission is to bridge the gap in our local community by **supplying pantries and shelters with their most-needed items.** We are currently partnering with The Legacy Closet in Margate, Changing Lives in Boca Raton, and Deerfield Beach Community Cares. These amazing organizations serve the neediest among us, including the unhoused, veterans, families, foster children, and those needing a hand up and social support.

Community power grows when you join in.

Step 1: Tell your workplace, school, house of worship, book club, scout troop, sports team, student club, and neighborhood that you are collecting much-needed items for your community.

Step 2: When you have a collection of items to donate, simply reach out to us at **CareCrew@joyfulresistancesouthflorida.com**, and our volunteers will come pick them up and distribute them directly to local shelters.

Send donations quickly and easily through our Amazon Wish List
